A: Etica en los Negocios (Etica en los Negocios) Traducido: El concepto de una ética de los negocios en una agencia de soluciones de problemas. A veces, para la gente, los negocios comprenden la gente; para otros, los negocios dicen a la gente. La ética en los negocios es la conducta que se aplica a la compraventa de bienes y servicios y, por tanto, se trata del comportamiento ético que encarna la obligación moral de usted y de su empresa con respecto a sus clientes (al menos los grandes) y a los trabajadores que forman su planta laboral (sobre todo los pequeños). Hay quien alega que aún no existe tal ética en los negocios. La mitad de los investigadores afirman que esta ética existe, por lo que, ya para el año 2000, serÅi sobre la mesa. Hay pocas personas al interior de los negocios que creen que no exista tal ética. Tal vez no estÅi claramente definida, pero existe desde hace tiempo.
